

Grade 2 Weather Inquiry Unit: "Culminating Projects: Self, Peer, and Teacher Assessment"
Philippa Haynes, New Prospect Elementary School, Inman, SC, (Spartanburg One)

LESSON ARTIFACTS: FINAL PRESENTATIONS

Students roll out the red carpet to welcome guests to their video showing.

Student work and artifacts from the inquiry unit are on display.

After sharing its video with fourth graders who are also studying weather, each expert group of second graders receives feedback and answers questions from the audience.
